WHAT IS THE ETOWAH PREGNANCY TESTING CENTER?

The Etowah Pregnancy Testing Center is a non-denominational, non-profit Christian organization dedicated to women and teens in crisis pregnancies. We have many free and confidential services available for the women in our area. These include:

- 99.67% accurate lab-quality pregnancy tests.
- Information on all available options.
- Prenatal vitamins.
- Maternity clothing.
- An "Earn-While-You-Learn" program where young women can earn "Mommy Bucks" to spend on baby clothing, diapers, baby furniture, and other supplies, while learning parenting skills and/or studying their Bible. We keep baby clothing from 0 to 24 months available for anyone in need.
- Car seats, cribs, swings, etc. in limited supply.
- Referrals for prenatal care, housing, adoption services, etc.
- Post-abortion classes.
- Parenting class for new parents.
- Information on obtaining W.I.C., G.E.D., etc.
- Counselors for male, as well as Spanish-speaking clients on the 3rd Saturday of each month.

Etowah Pregnancy Testing Center provides a safe and caring environment for young women in our area. We do not perform or give referrals for abortions. We provide needed information and materials to help each client based on her needs and her decisions. *All services are free and we receive no government funding.* We rely strictly on support from our community. At present, there is one full-time employee, and one part-time employee. All others are volunteers.

HOW CAN YOU HELP?

- Donations of money, new or gently-used baby or maternity clothing, good used car seats, cribs, etc. Anything to do with babies up to 24 months.
- Pray for our volunteers, board members and staff.
- Donate your time as a volunteer peer counselor, receptionist, data entry, public speaker, etc.
- Find out if your church has EPTC in their budget and if not, take some of our literature to your pastor or church council.
- Donations of office supplies, household cleaning supplies, books and videos on pregnancy are welcome.
- Buy the "Choose Life" tag when you renew your automobile tag. It costs \$50 above the price of your tag, you can personalize it with up to 5 letters/numbers, and about \$42 of the \$50 goes to the pro-life organization in your county.
